

PREAMBLE

Copyright law provides certain exclusive rights to the author of a work, including rights to reproduce, modify, and distribute the work. “Copyleft” is an attempt to willfully revoke the exclusivity of those rights under certain terms and conditions so that others can reproduce or distribute the work. All subsequent reproductions are used or distributed under the same terms as the original.

The intent of this License is to be a “copyleft” agreement for the kriyas, lectures, and books made available on this website. This License provides the terms and conditions under which these works may be copied, distributed, or modified.

1. DEFINITIONS

“License” means this copyleft License.

“Work(s)” mean all kriyas, lectures, and books made available on this website.

“Author” means the copyright holder(s) of the Works.

The individual licensees are referred to as “you” and “your.”

2. RIGHTS AND COPYRIGHT

The copyrights to the Works are owned by the Author. All rights to the Works are reserved by the Author, except as specifically described herein. This License describes the terms and conditions under which the Author permits you to copy, distribute, and modify copies of the Works.

3. COPYING AND DISTRIBUTION

Subject to the terms set forth herein, this License grants a world-wide, perpetual, royalty free license, to use, copy, distribute, or otherwise present verbatim copies of the Works in any medium for non-commercial educational purposes only; provided, however, that this License, the copyright notices, and the license notice stating that this License applies to the Works are reproduced in all subsequent copies.

4. MODIFICATION

The rights granted under this License allow only for the verbatim copying of the Works. You may not alter, modify or sample from a copy of the Works, produce derivative works, or otherwise distribute derivative works without the prior written consent of the Author. Notwithstanding the above, the Author encourages proposals for collaborative efforts to develop derivative works and/or new materials incorporating or referencing the Works and asks that all requests to modify or alter the Works released under this License be made by way of this website.

5. COLLECTIONS AND COMBINATIONS OF WORKS

You may make a collection consisting of individual Works released under this License and replace the individual copies of this License in the various individual Works with a single copy of the License that is included in the collection, provided that all restrictions and rules set forth in this License for verbatim copying of each of the individual Works are followed in all other respects. You may also select a single document from such a collection and distribute it individually under this License, provided that you include a copy of this License with the individual document and follow this License in all other respects regarding verbatim copying of the individual document.

You may also combine a Work with other Works released under this License provided that all restrictions and rules set forth in this License for verbatim copying of each of the individual Works are followed in all other respects. The combined Work need only contain one copy of this License.

You may not combine into an aggregate any of the Works released under this License with other separate and independent documents or works, or use any of the Works released under this License as part of a collection including separate and independent documents or works.

6. NO RESTRICTIONS

You may not impose any further restrictions on the use, copying, distribution or modification of the Works beyond those restrictions described in this License.

7. ACCEPTANCE

Using, copying, distributing, or otherwise presenting the Works released under this License indicates acceptance of the terms of this License. If you do not follow the terms of this License, any rights granted to you by the License are null and void. The use, copying, or distribution of the Works outside of the terms described herein is expressly prohibited by law.

8. TERMINATION

You may not copy, distribute, or otherwise present the Works except as expressly provided under this License. Any attempt to use, copy, distribute, or modify the Works contrary to the terms of this License is void and will automatically terminate your rights under this License.

Termination of your rights under this section does not terminate the licenses of parties who have received copies or rights from you under this License.

9. NO WARRANTY

THE WORKS ARE PROVIDED “AS IS” AND COME WITH NO WARRANTIES, EXPRESS OR IMPLIED, TO THE EXTENT PERMITTED BY APPLICABLE LAW, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

10. DISCLAIMER

THE AUTHOR SHALL NOT BE LIABLE FOR ANY DIRECT, CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES WHATSOEVER ARISING OUT OF OR RELATING TO THE WORKS OR THIS LICENSE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.
